

Afstammingsreeks traced back to 1700

Page 1 : General information

An 'afstammingsreeks' is a lineage from father to father, following the surname to the past. See the model on the right. The starting point of the genealogical research is entirely your choice.

Page 2 : Prices

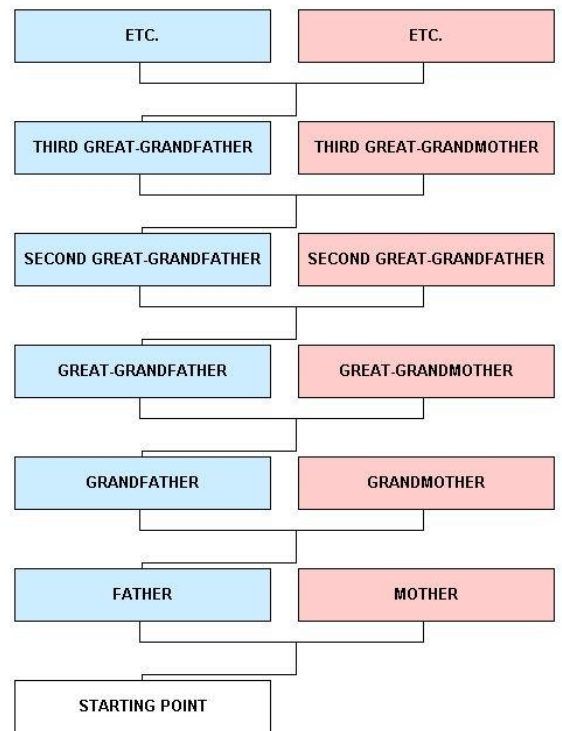

An 'afstammingsreeks' can be delivered as a digital report (basic or premium) or as a hardcover book (premium). View the price indications for more details. Each request for quotation is assessed individually. Genealogical research is custom work that often takes many hours. It has to be right.

Page 3 : Impressions

Curious about how the 'afstammingsreeks' will be delivered for you? View some impressions. Feel free to submit your most beautiful family photos, for example the wedding or family photo of your children, yourself, your parents, grandparents and/or great-grandparents.

*The 'afstammingsreeks'
is a suitable choice if
you want to know
where your family name
comes from.*

Page 4 : Delivery data

- Step 1 : Determine desired product version.
- Step 2 : Determine starting point of research.
- Step 3 : Provide genealogical information for the youngest tree generations (names, birth, marriage and/or death).
- Step 4 : Provide family photos if desired (see requirements on website, step 4b).

Your family history,
it couldn't be more personal!

The **basic version** mainly contains the standard family tree data, a national distribution map and a graphic overview.

The **premium version** gives a more extensive touch to the publication, which is provided with professional prints, old postcards, family photos (if desired), various distribution maps, column diagram showing professions and a graphic overview.

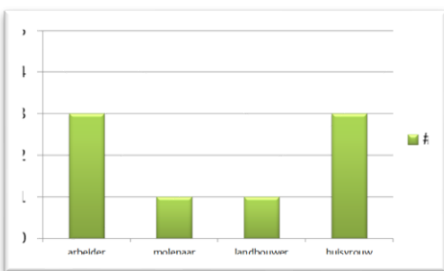

Hardcover book premium (cover)

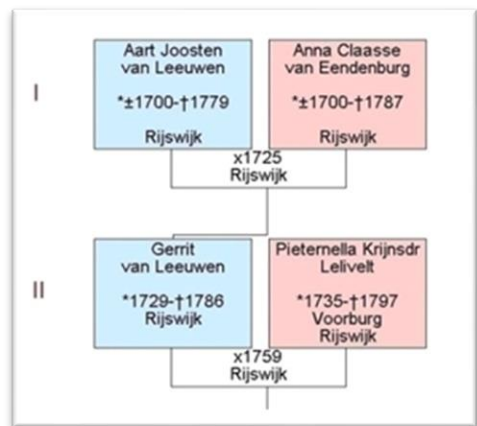

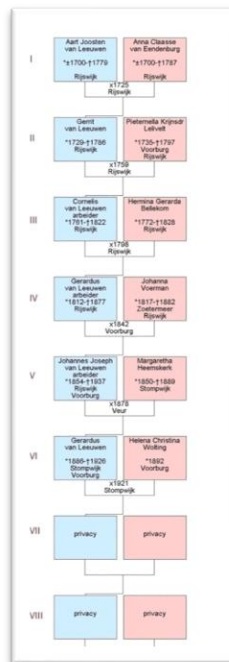

Random page (A4-size)

National distribution map

Column chart showing occupations

Genealogical overview (fragment)

Delivery of genealogical data

Collect genealogical data from your own family circle such as full first and last names, places and dates of birth, marriage and death and provide this data for the purpose of the research. As an additional option, you can send family photos. The privacy law is carefully observed in this regard.
